A **parable** is a story to do with everyday things with lessons for us about the kingdom of God. One day Jesus told a parable about a man who went out to sow **seed** in a **field**. Some of the seed fell by the wayside and the **birds** came and ate them up. Some seed fell on **stony** ground and because the roots could not grow downward, it grew a little but perished in the scorching sun. Other fell among **thorns**, got entangled and **choked**. But some fell on good ground and brought forth **fruit**. Jesus said that the seed is like the Word of God, the **Bible**, and the different ground which the seed fell on is a picture of different responses in the hearts of people to God's Word. Are we like the seed that fell on good ground? Have we received God's Word into our **heart** and obeyed it? If we have, fruit for God will follow!
